課程內容:

Topics :

From day one students get the chance to act, working in groups of two to five on a short scene from a classic English dramatist (starting with Shakespeare's Richard III and Midsummer Night's Dream).

In the second week, once the students have gained sufficient confidence, they are asked to concentrate on key scenes from modern works such as Samuel Beckett's Waiting for Godot, Willy Russell's Blood Brothers, or John Godber's Teechers.

On Fridays these are performed to the rest of the class who offer their feedback. This progression from Early Modern drama to more contemporary theatre also allows students to explore how English drama has developed over the years.

從第一天起，學生就有機會表演，以2到5人為一組進行表演，劇本包括經典英國劇作家（莎士比亞的理查德三世和仲夏夜之夢）。

在第二個星期，一旦學生建立了足夠的信心，他們就會被要求專注於現代作品中的經典場景，如Samuel Beckett的Waiting for Godot，Willy Russell的Blood Brothers或John Godber的Teechers。

於星期五，學生就會在其他同學面前表演，然後同學作出意見。從早期現代戲劇到更現代的戲劇，讓學生們從中探索多年來英國戲劇的發展。
